A Note From Our General Manager...

Dear Scene Reader,

Hey, it's summertime again! That means it's time to cruise around town with the windows rolled down and the radio blasting 91.1 WRUW-FM. This summer we have three events that will make the summer much more enjoyable. We have the 20th annual Studio-A-Rama coming up in late July. This all-day rock festival is a kick-ass way to spend a Saturday afternoon and evening. We are accepting submissions from local bands for Studio-A-Rama until June 10. Send your submissions to 11220 Bellflower Road, Cleveland, OH 44106. We also have a Reggae Festival lined up for this summer, and the Folk and International Festival scheduled for August 26. More information regarding these events will be available on our website at <http://radio.cwru.edu> and by listening to 91.1. These festivals are a thank-you for those of you who donated to our annual radiothon in April. Thank you radiothon donators, because without you we wouldn't be able to continue to grow as a station.

This Summer 2000 Program Guide will be my last as General Manager of 91.1 WRUW-FM. I have had a great time in this position over the past year, and it saddens me that graduation means that a new general manager will take over. My college experiences have taken me to Chicago for a summer, and all over the United States through various job interviews, road trips, etc. Through these experiences, I've heard radio in many different cities, but I have never found a station as wonderful as WRUW. No station in this country is as diverse, as willing to take chances, and as fun as WRUW. Listen and appreciate 91.1 WRUW-FM as we continue to play cutting-edge music for your listening pleasure. We are a beacon of hope in an otherwise dreary radio scene.

Sincerely,

Bill Bailey
